SUPERBOWL XLIII EXPERIENCE

KIMTEK Corporation was honored to have four of our FIRELITE Transport and MEDLITE Transport Systems at this year's 2009 Superbowl XLIII in Tampa FL. Tampa Fire-Rescue purchased two FIRELITE FDHP-09 units with foam and electric rewind options and one MEDLITE MTD-09 unit all to be placed in Tampa Fire-Rescue owned Kubota RTV 900's. Also on hand for this large event was the newly developed FDHP-09 pickup skid unit. This is the 2nd year in a row that KIMTEK products have been in service at a Superbowl event, 2 FIRELITE Transports were in Phoenix-Glendale in 2008.
